CIPF/FCPE POLICIES — September 1999

DEFINITION OF CUSTOMERS

A customer considered eligible for protection by CIPF/ FCPE shall be any customer having an approved securities or futures contracts account used solely for the purpose of transacting securities or futures business (dealing as principal or agent) executed directly with the insolvent Member on account of securities and segregated insurance funds received, acquired, borrowed or held for safekeeping, futures contracts and cash balances and shall include moneys left on deposit.

An approved securities account is any account opened in accordance with the rules governing new accounts prescribed by or under any provincial securities legislation.

A customer shall be an individual, a corporation, a partnership, an unincorporated syndicate, an unincorporated organization, a trust, a trustee, an executor, an administrator or other legal representative but shall not include:

- i) a Member of a sponsoring Self-Regulatory Organization (SRO) of CIPF/FCPE or a foreign securities dealer registered with a Canadian securities commission or foreign equivalent;
- ii) any individual or corporation to the extent that such person has a claim for cash or securities which by contract, agreement, or understanding, or by operation of law, is part of the capital of the insolvent Member such that the claim represents five percent or more of any class of equity security of the insolvent Member, or any individual who has a claim which is subordinated to the claims of any or all creditors of the insolvent Member;
- iii) a general partner or director of the insolvent Member;
- iv) a limited partner with a participation of five percent or more in the net assets or net profits of the insolvent Member;
- v) someone with the power to exercise a controlling influence over the management or policies of the insolvent Member;
- vi) a clearing corporation;
- vii) a customer of an institution, securities dealer or other party dealing with a Member of an SRO on an omnibus basis; or
- viii) a customer who caused or materially contributed to the insolvency of a Member of an SRO.

LIMITS OF COVERAGE

The determination of the amount of financial loss suffered by a customer of an insolvent Member of an SRO for the purposes of payment by CIPF/FCPE and the maximum limits of such payments shall be in accordance with this Policy. In addition,

the Board of Governors may exercise its discretion, in respect of determining customers eligible for protection and the amount of financial loss suffered, in a manner that is consistent with the right and extent to which a person may be entitled to claim against the customer pool fund of a Member under the *Bankruptcy and Insolvency Act* (Canada), subject to other restrictions in this Policy and the sole discretion of the Governors to determine protection by CIPF/FCPE. The Governors may rely on the trustee in bankruptcy or the receiver under applicable law in determining the amount and validity of claims of a customer and for the purpose of calculating financial loss. Persons who deal with CIPF Members through accounts used for business financing purposes such as securities lending and purchase/repurchase transactions are not eligible for coverage in respect of such accounts. The Governors may also determine that persons who do not deal at arm's length with an insolvent Member or with a person who is excluded as a customer are not customers entitled to protection.

In the case of any question or dispute as to the amount of the financial loss incurred by a customer for the purposes of payment by CIPF/FCPE, and the maximum amounts to be paid to a customer, the interpretation of the Board of Governors of this Policy shall be final and conclusive. The Board of Governors reserves the right in the appropriate circumstances to authorize any payments in a manner other than as prescribed in this Policy.

Determination of Customer Losses

The financial loss of a customer in respect of which the Governors may authorize payment by CIPF/FCPE shall be determined as at the date of the insolvency of the Member (as fixed by the Board of Governors) after taking into account the delivery of any securities or property to which the customer is entitled and the distribution of any assets of the insolvent Member. Accordingly, the maximum amount of securities, cash and other property which CIPF/FCPE may pay to a customer shall be calculated as the balance of the customer's financial loss as a result of the insolvency of the Member net of such deliveries or payments. The Board of Governors may in its discretion reduce the amount of the financial loss of a customer for the purposes of authorizing payments by the amount of compensation the customer may receive from any other source.

The date at which the financial loss of a customer is determined shall be fixed by the Governors as the date of bankruptcy of the Member, if applicable, or the date on which, in the opinion of the Governors, the Member became insolvent.

The amount of securities delivered to a customer in satisfaction of a claim shall be the amount of securities to which the customer was entitled as at the date for determining financial loss without regard to subsequent market fluctuations. In lieu of satisfying a claim by the delivery of securities, cash in an amount equal to the value of the securities as at the date for determining financial loss may be paid to the customer even though the amount of such cash is not equal to the value of such securities as at the date of payment.

Maximum Limits of Payments

The Board of Governors may authorize payments to be made to each customer considered eligible for protection by CIPF/FCPE who has suffered financial loss to a maximum amount of \$1,000,000 (including claims for cash) with respect to each of (i) the aggregate of all the customer's General Accounts and (ii) each type of aggregated Separate Account of the customer, as such General and Separate Accounts are determined by the Board of Governors. The amount of a customer's claim for cash will be reduced to the extent that the customer is entitled to deposit insurance in respect of all or any of the cash held for an account or to compensation in respect of other securities or property.

GENERAL ACCOUNTS

Each account of a customer considered eligible for protection by CIPF/FCPE which is not a Separate Account shall be one of the General Accounts of such customer. All General Accounts of a customer, or any interest the customer may have therein, shall be combined or aggregated so as to constitute a single account of such customer for the purposes of determining the payments to be made to the customer. The interest of a customer in an account which is held on a joint or shared ownership basis shall be treated as if it were a Separate Account and combined with the General Accounts of the customer.
