FONDS CANADIEN DE PROTECTION DES EPARGNANTS**

NOTICE

TO: Customers of Thomson Kernaghan & Co. Limited

By Receiving Order dated July 12, 2002 (the "Bankruptcy Order"), the Ontario Superior Court of Justice declared Thomson Kernaghan & Co. Limited ("TK") to be bankrupt and appointed Ernst & Young Inc. as Trustee In Bankruptcy (the "Trustee"). TK was a securities dealer and was registered with the Ontario Securities Commission pursuant to the Securities Act (Ontario).

Pursuant to the Bankruptcy Order and subsection 261(2)(a) of the Bankruptcy and Insolvency Act (Canada) ("BIA"), the Trustee established a customer pool fund consisting of securities and cash held by TK for the benefit of customers of the firm. Under the BIA and the Bankruptcy Order, the Trustee was required to provide TK's customers with valid claims with the cash and/or securities in the customer pool fund or to transfer the cash and/or securities to new investment dealers.

By December 2002, most of the customers of TK had claimed the cash and/or securities in their accounts or had arranged for their accounts to be transferred to investment dealers of their choice. Despite efforts by the Trustee to notify remaining customers of their entitlement to make claims for cash and/or securities held in kind in their names, many customers did not come forward to advance such a claim. In December 2002, the Trustee transferred all of the remaining accounts at TK to Dominick & Dominick Securities Ltd. ("the remaining accounts").

On October 7, 2010, the Court granted an Order in which it approved a process for the final distribution of the remaining accounts.

Pursuant to the Order, the Trustee provided notice that former customers of TK had a final 45-day period in which to deliver proofs of claim to the Trustee for the purpose of advancing claims under the BIA to cash and/or securities in kind that were in the remaining accounts. At the conclusion of the 45-day notice period, the Trustee sought and received an order of the court approving the transfer of cash in the remaining accounts to the Canadian Investor Protection Fund ("CIPF"). The Trustee also sought and received an order of the court approving the sale of all remaining securities in the remaining accounts and the transfer of the sale proceeds to CIPF. Former customers of TK are no longer able to receive their securities in kind.

Eligible customers with valid claims are entitled to claim the cash and/or the proceeds of sale of the securities that were in their remaining accounts, net of realization costs, from CIPF for a period of two (2) years ending November 26, 2012.

For information about CIPF Coverage and the claims process, visit CIPF's website at www.cipf.ca. The claim form is attached to this notice and claims must be submitted by **November 26, 2012**.
